

We are especially in need of a few brothers and sisters who can read and write in Greek or in Hebrew to provide evidence and answers from the Greek and Hebrew texts. Even someone from Greece (who knows Modern Greek and English) can be very helpful because Modern Greek is still very close to ancient Koine Greek.

7. **Apostolic Faith Brothers and Sisters who feel called to work as part of our Staff at Global Impact Ministries in Fort Myers Florida.** Brother Pompliano is a seasoned Apostolic Minister who has agreed to serve along with brother Hollenbeck as our secondary Assisting Director for Global Impact Ministries. Brother Pompliano will be teaching classes on discipleship and personal evangelism which we will be recording and posting on our YouTube channel. Brother Pompliano has a lot of computer knowledge and has offered to help us make our website and YouTube channel more efficient and productive in generating more internet traffic. We warmly welcome Brother Pompliano to our Global Impact Ministries Staff in Fort Myers.

We need a Secretary here in Fort Myers, along with assisting Elders, Pastors, Deacons, Teachers, Soul Winners, Singers, Musicians, or anyone who has Video Recording, Sound System, or Computer Skills to help us publish and post the gospel on the worldwide web as professionally as possible and to assist with the Bible College. Our vision is to record our videos in our own professional studio with an expensive recording system and a teleprompter.

Free Bible College: My vision is to build our new Apostolic Church with a free in house Bible College to equip and train hundreds and thousands of Evangelists, Pastors, Teachers, Missionaries, and Christian workers to help spread the true gospel worldwide. Personal Discipleship Training rather than just teaching will be a part of our curriculum. Courses will include Spiritual Warfare, Effective Prayer (healing/miracles), Casting Out Demons, and Personal Evangelism by physically going out into the field of this world and doing everything that our Lord Jesus has commanded us to do. Anyone with the gift of teaching who is qualified to teach the whole body of Christ can become a part of our Teaching Staff.

GLOBAL IMPACT MINISTRIES

NEWSLETTER SPRING 2018

WE ARE ONENESS APOSTOLIC IN FAITH

From the Desk of Pastor Steve Ritchie

<https://youtu.be/bSFUI7QGikE>

The Lord has been leading us to start a new Apostolic Church in Fort Myers, Florida. We have many prospects and are just starting weekly meetings. While planting a new church is taking away substantial time from my reading and research time, I have no doubt that our new local church will help support our vision to have our own professional studio while professionally recording all of my teaching and preaching from the pulpit to post on YouTube. Please pray that the Lord will bless this new Apostolic Faith Church so that we may advance the Kingdom of God both locally and globally.

Progress on my New Book

My book entitled, "The Case For Oneness Theology" is about ready for print. I have decided to shorten the book by excluding the 300 plus page rebuttal section in order to keep the printing costs down so that the book can be handed out for Evangelistic purposes. We will be printing another book later with all of my rebuttal materials to equip the saints to be able to quickly look up and give great responses to all of the passages that Trinitarians often use as alleged proof texts.

My new book should be available on Amazon sometime this May. I will follow this book with my second book. All proceeds from the book sales will go directly into funding Global Impact Ministries.

Join Our Team Effort

Some of the brethren (and sisters) have been very helpful to this ministry in the following five ways:

1. Praying for this ministry on a weekly or daily basis. We greatly appreciate all of those who are consistently praying for this ministry to

fulfill its vision to have a global impact that will eventually bring millions into the true One God Apostolic Faith. Please commit yourself to include us in your daily or weekly prayers as the prayers of the saints open the windows of heaven!

2. Diligently watching most of my videos and reading most of my articles in order to answer critical comments and questions under my YouTube Videos. I have been spending a huge amount of time responding to our many opponents under my YouTube videos. I'm asking for volunteers who are willing to join me in defending the Apostolic Faith on YouTube.

Our vision is to equip thousands of disciples to defend the faith and to help people see the truth of the Oneness of God, Jesus Name baptism, and the gift of the Holy Ghost with the initial sign of tongues. I'm asking for volunteers who are willing to spend a few hours per week reading my articles or watching my videos so that they will be better equipped to respond to those who criticize the Apostolic Faith both online and in our local communities.

If you personally disagree with any of my teachings, please contact me personally by email on our Website Contact Page rather than posting your disagreements on our YouTube Channel for all to see. Just as an Evangelist may disagree with a local Pastor about a scriptural topic but will not openly disagree with him in front of his congregation, so I would greatly appreciate that kind of ministerial ethic from our Apostolic brethren on our YouTube Channel. It looks very bad for our evangelistic efforts when our opponents see Apostolics arguing and disagreeing with each other publicly rather than working together to reach our world with the true Oneness Apostolic Faith.

***All of our Apostolic Faith Brothers and Sisters who make a commitment to the following 3 categories will be considered a part of our Global Impact Team of online Ministers** (Note: This has nothing to do with being a licensed minister which would be through your local Apostolic Church).

1) Prayer for this ministry. 2) Assisting under my YouTube video comments. 3) Watching or reading most of my videos, books, and articles.

3. Looking for YouTube videos attacking the Apostolic Faith with thousands of views and asking me to produce a professional apologetic response. I greatly appreciate it when brethren notify me about videos which are attacking our faith in which there should be an Apostolic response. Right now, I'm only responding to videos with at least 3,000 views.

4. Giving Monetary Donations: While we are very thankful for the donations that have come in, it has been like the proverbial 'drop in the bucket' compared to our actual expenses. We hired staff to help us in this ministry and my wife and I have been travelling to debates at our own expense. Global Impact Ministries should be able to start taking in tax exempt donations sometime in May. We will post a donation link on our website as soon as we can take in love offerings as a ministry.

My vision is to have a professional studio through our local church and to purchase state of the art camera and recording equipment. Furthermore, we would like to have the money to give love offerings to those who have been professionally translating my books and articles from English into many other languages as Google Translate (which is the best) does a very poor job translating, especially in certain languages. Most foreign translators have quit doing the translation work for us because they have not been receiving monetary compensation.

We will be able to take in legal tax exempt donations in May which is the time when my book will be available on Amazon. Please prayerfully consider including us in your love offerings for the work of God.

***We do not want to post what anyone gives because we want your full reward to be in heaven.**

5. Translating my books and articles from English into other Languages. While many have helped us to translate my books and articles, everyone has quit doing the translation work except for

Oneness apologist Bro. Julio Cesar Clavijos from Columbia who has continued to translate my book, "The Case For Oneness Theology" from English into Spanish with no monetary compensation and Pastor John Moses who is translating my book into Telugu. Our vision is to have dozens of people working on translating my books and articles into every language of the world in the coming years. If you can read and write in English and in another language, please consider joining our translation team of workers in publishing the true gospel message in every language on earth before Jesus comes.

***We will acknowledge all translators as part of our Global Impact Ministries Team.**

6. Knowledgeable Researchers who are providing documented evidence from Scripture and Church History which supports or defends Oneness Theology, baptism in Jesus Name, and the gift of the Spirit with tongues. I want to develop a team of researchers who are willing to take the time to read specific books that I will assign. For

example, I want someone to read the ten books of "The Church History" written by Eusebius in the early fourth century (about AD 313). The researcher who reads these ten books will carefully look for all evidence about Oneness believers (Modalistic Monarchians), baptism in Jesus Name for the remission of sins, Holy Spirit Baptism with tongues, and all documentation which he or she feels might be beneficial in defending the Apostolic Faith. I have not completed reading all of the extant books in early Christian history so it would be a tremendous blessing if I could assign brethren (and sisters) to read specific books that I have not read in order to peruse them for the type of evidence I'm looking for. Anyone can read the extant books of early Christian history for free on line at earlychristianwritings.com

***We will acknowledge all of our researchers as part of our Global Impact Ministries Staff** (Note: This has nothing to do with ordination or licensing which should be through your local Apostolic Pastor & Church).
