Dr. Larry L Yates

"This book can show you how to make the time you spend with God each day a delightful time. Dr. Yates shares his teaching that has helped many transform their prayer life from drudgery to delight. It can do the same for yours. Using the "Lord's Prayer" as a model, Larry will show you how to spend an hour or more each day with God and find joy in it. Learning to pray without repeating yourself will help you discover afresh how to enter into God's presence in a way that will change your life. "

## MINEOLA BIBLE INSTITUTE AND SEMINARY

Matt is 28 years old and serving an 18-year sentence for armed robbery. But Matt met Jesus behind bars! Now he is a Bible College student and a soul winner. This past year, Matt won 16 souls to Christ and is discipling them in the faith.

Matt is just one of thousands of inmates we can reach with your assistance. My heart goes out to these precious souls who have been on Lock Down since March, trapped in a 5 by 8-foot cell with nothing to do. Hundreds are reaching out to us for help!

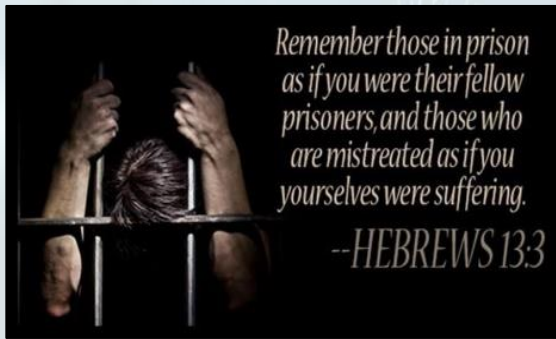

Once prisons were colleges for crime, we're turning them into Bible Colleges! Your gift of any amount will help sponsor a prisoner towards their degree! Help us change the prison population in America, one life at a time!

I'm going to be honest with you—I never thought my tenure as president of Global Impact Ministries and Mineola Bible Institute would start quite like this!

The COVID-19 pandemic has brought some major changes to many people. It's been an inconvenience for all of us and very tragic for others.

Our staff and faculty have been able to adjust so that our students are continuing to receive the education and training they need to reach the world with the gospel of Jesus Christ.

While adjustments have made it possible for many students to continue their biblical and theological education, other students have faced even greater challenges. Many students have families who have lost their jobs or seen their incomes dramatically reduced; they need emergency assistance to complete their degrees.

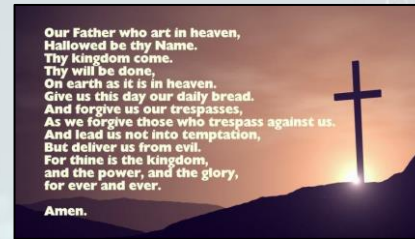

As the prison systems are on "Lock Down" our requests to enroll have increased dramatically. We are desperately in need of sponsors.

We can help these students continue their education by extending more financial aid. To do that, MBIS must have your help. MBIS does not have an endowment that supports our operations budget. Each inmate course costs \$100. We believe that God, through His people, will provide what the Seminary needs each year to train students for ministry.

That's why I'm asking for your help. Will you make a gift to help us help these men and women achieve their dream of a quality

theological and biblical education.? Every gift, regardless of the amount, means a great deal! Your generosity will help us continue to adjust to whatever the future holds and help our students complete their seminary education.

All gifts should be given online at [www.mineolabibleinstitute.org](http://www.mineolabibleinstitute.org)

(Find the "Donate" button in the middle of the Home Page), or by check or M.O. addressed to Mineola Bible Institute 738 Goodson Circle Mineola, TX 75773.

As far as Global Impact Ministries is concerned. Our staff would like to thank everyone for their kindness and support in the days following Brother Ritchie's death. You have made it possible for the ministry to continue virtually unaffected by this "pandemic."

We are in the process of preparing several manuscripts that Brother Ritchie left behind unfinished. We hope to have them available for purchase within a year! One is a completely new 20-part Bible study for use in outreach and soul-winning!
